"Walk-Over" The Shoe for You

A smart patent leather shoe with cloth top—one that will be popular with women this winter for street wear and dress wear too. Made with O'Sullivan's heels.

Every Walk-Over store in Greater New York is carrying a full line of O'Sullivanized Shoes for men and women—shoes made with O'Sullivan's Heels of new, live rubber attached ready to wear.

We are convinced that a rubber heeled shoe outwears a hard heeled shoe and keeps its shape much longer, to say nothing of the added comfort it gives.

Pride of Ownership
CHANDLER LIGHT WEIGHT \$1595
SIX

Don't you want to be proud of the new car you buy?—not merely satisfied with it, but satisfied and proud of it?

Chandler owners are proud of their cars.

They are proud of the car that proved a high-grade six of medium size could be built to sell for less than \$2000.

They are proud of the car that changed the whole trend of the automobile industry toward light sixes.

They are proud of the powerful, quiet, beautifully made Chandler long stroke motor, with its Bosch Magneto for ignition, genuine imported Coventry silent chain instead of noisy gears for motor shafts, its self-contained oiling system, separate unit electric starting and lighting system, its cast aluminum motor base extending from frame to frame, its pearl gray enamel finish, and all its other features.

They are proud of the economy of the Chandler.

We shall be glad to have you drive the Chandler and decide for yourself.
