"You can't build
a better piano"

**New \$500 Sohmer
Piano \$390**

Our new catalog does not contain this model. Its similarity in case design to a style already listed has made it seem inadvisable to continue it—hence this unusual reduction. Every piano is new and was built to sell at \$500. A limited number only on hand. The Sohmer for forty-three years has been one of the two or three standard pianos of the world.

ment for your skin. The first time you use it you will feel the difference—a promise of that lovelier complexion the regular use of Woodbury's always brings.
