"ARTBRONZ" BOOK ROCKS

"ARTBRONZ"

Book Rocks in solid bronze would cost you from \$50 upward a pair.

In "ARTBRONZ" the price is but \$5.00 the pair.

"ARTBRONZ" is the standard of perfection and has been for the past six years.

"ARTBRONZ"

Book Rocks are made of a heavy seamless deposit of bronze over a baser core and have all the finish, durability, workmanship and modeling of the finest bronzes at one-tenth the price.

"Admiration"

Certainly this is a nude of exquisite beauty and grace. The maiden refreshing herself at the clear, cold pool has found her reflection one that is pleasing, and the frog, in its admiration, questions not the trespasser.

Width 5". Height 9" PRICE, THE PAIR, \$5.00

"Evil Spirit"

A splendid Indian figure with muscles taut—his body tense—his face expressing his awe and fear of the Evil Spirit.

Width 5". Height 8" \$5.00 the pair

"D'Artagnan"

Dumas's hero adventurer is here modeled into a man as we might picture him, "alive," quick, his foil broken at his feet, and a smile on his face. Could we ask a more gallant figure?

Width 5". Height 9" \$5.00 the pair

"Lazy Student"

This lazy page has turned from his duties to what he finds more to his liking. He evidently is a great book-lover, but we fear the volumes strewn about him are the most exciting novelettes of his time rather than the volumes of a student. An exceptionally appropriate Book Rock.

Width 5" Height 7" \$5.00 the pair

"Good Story"

This jolly old monk with his kindly and beaming face as well as his full-hearted laughter makes us wish that we too might delve into the volume that he has found so interesting. His quaint old umbrella has fallen to the ground and adds another touch that makes this a charming Book Rock.

Width 6". Height 7" \$7.50 the pair

"Chimpanzee"

In jungle society he is undoubtedly considered a beauty and, although it is hard for us to accept the Darwin theory, nevertheless we must admit that his brute strength and long-arm reach makes him splendidly equipped to serve us successfully as a Book Rock.

Width 5". Height 8" \$5.00 the pair

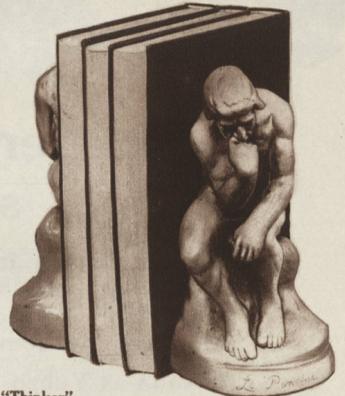

"American Eagle"

A superb piece and a wonderfully true reproduction of our national bird.

The eagle in every line suggests his ability to defend and fight, if necessary, anyone that presumes to come too near.

Width 5". Height 9" Unusual price of \$10.00 the pair

"Thinker"

After Rodin's wonderful masterpiece that has caused such favorable comment on the part of art critics and connoisseurs the world over. It makes a gift that bespeaks a tasteful selection and is at the same time an acknowledgment of the recipient's appreciation of the beautiful and artistic.

A superb example of the physically perfect man. Every muscle in his wonderful body is in play to hold your books in place.

Width 4". Height 7" \$5.00 the pair

We find old Bruin, in fact two of them, in an affable mood, having settled themselves on their haunches to support your books. With their great bulk, you are assured of a very serviceable pair of Book Rocks.

Width 6". Height 8 1/4" \$6.00 the pair

"Babyhood"

These three little cherub-like figures in their playfulness would push over your books, if they might, but the chubby little figures are just able to keep them upright for you. This is an exquisite piece that all should like.

Width 5". Height 6" \$5.00 the pair

"Unfinished Sketch"

The sculptor has all but finished his work, but so well has he done it that it requires no great stretch of our imagination to finish for him in our mind's eye the beautiful line and contour of form that would be the finished figure.
