HOW to make your skin fine in texture

If the delicate pores of your skin have become enlarged and coarsened, it is because of cleansing methods unsuited to your skin. As a result, the pores have lost their power to contract and expand as they should.

You can restore them to their normal healthy condition and rebuild a smooth-textured skin by persistent use of the following Woodbury treatment:

Dip your washcloth in very warm water and hold it to your face. Now take the cake of Woodbury's Facial Soap, dip it in water and rub the cake itself over your skin. Leave the slight coating of soap on for a few minutes until the skin feels drawn and dry. Then dampen the skin and rub the soap in gently with an upward and outward motion.

Rinse the face thoroughly, first in tepid water, then in cold. Whenever possible, rub the face with a piece of ice. Always dry carefully.

Use this treatment persistently for ten days and your skin will show a marked improvement—a promise of that greater smoothness and finer texture that the steady use of Woodbury's always brings.

Do this today! A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

Woodbury's Facial Soap is for sale by every dealer and druggist in greater New York and, in fact, by dealers everywhere throughout the United States and Canada. Made by The Andrew Jergens Co., New York and Cincinnati.

The Appealing Windsor Chair

HERE could be no greater endorsement of the discrimination of Charles II. than the fact that this model, which he selected for Windsor Castle, is in such high favor today.

The charm of this delightful chair lies in its rare simplicity, the dignity of its lines, the true comfort it affords. The Windsor, as we offer it, is a true reproduction, in solid mahogany, of the original. It is very strongly made. The price needs no comment.

Our showing of Willow Furniture is very extensive at this time. It is well worth your inspection.
