Four pieces, \$78.00 separate pieces in proportion.

Most of our patrons find this the most convenient season for the refinishing, repairing and reupholstering of their furniture.

This suite can be furnished in ivory, gray or white enamel, or in mahogany-finished birch. It is simple in line, substantial in construction, very low in price.

Is Your Refrigerator Like This

Try this. Put onions, bananas, butter, cheese, cream, side by side, and see if they come out with unspoiled flavor.

BOHN SYPHON REFRIGERATOR

Condensing moisture transmits flavors. It also deposits germs from the air and rots the food. The Siphon System keeps the air dry—so dry that you can strike sulphur matches on any inside wall of a Bohn Refrigerator.

Practically every Refrigerator car and dining car in the land is equipped with the Bohn Siphon. The car builders know.
