The Last Word in Talking Machines

THE PATHÉ Pathephone

The greatest name in the world of entertainment is PATHÉ. The greatest name in the realm of music is PATHEPHONE. Every day witnesses the growth of the PATHÉ idea in phonography—which is

- better and fuller tone,
- better and clearer expression,
- better and more artistic effect than possible with any other machine on the market.

All this made possible by the **PATHE UNWEARABLE SAPPHIRE BALL** reproducing sounds TRUEST TO NATURE from the matchless Pathe records—without changing the needles, without scratching the records, without mechanical tones. Pathephones \$15 to \$200.

This wonderful rounded sapphire reproduces from forty points of contact. It yields only what the artist sings or plays. For best results, use **PATHE DISCS** on the Pathe Pathephone with genuine Pathe Sapphire. A wider selection of varied pieces than any other firm lists in its catalog.

"PATHEPHONE means REAL MUSIC."

Conspicuous nose pores
How to reduce them

Complexions otherwise flawless are often ruined by conspicuous nose pores.

In such cases the small muscular fibres of the nose have become weakened and do not keep the pores closed as they should be. Instead these pores collect dirt, clog up and become enlarged.

To reduce these enlarged pores: Wring a cloth from very hot water, lather it with Woodbury's Facial Soap, then hold it to your face. When the heat has expanded the pores, rub in very gently a fresh lather of Woodbury's. Repeat this hot water and lather application several times, stopping at once if your nose feels sensitive. Then finish by rubbing the nose for a few minutes with a lump of ice.

Woodbury's Facial Soap cleanses the pores. This treatment with it strengthens the muscular fibres so they can contract properly. But do not expect to change in a week a condition resulting from years of neglect. Use this treatment persistently. It will gradually reduce the enlarged pores until they are inconspicuous.

Do this today! A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

Woodbury's Facial Soap is for sale by every dealer and druggist in Greater New York, and, in fact, by dealers everywhere throughout the United States and Canada. Made by The Andrew Jergens Co., New York and Cincinnati.
