What we do to have your gloves absolutely perfect

One girl, the first Kayser inspector, is paid ½ cent should she find a blemish in our silk fabric when it is cut ready to seam.
 The second is paid 1 cent a pair should she find a flaw after the glove is seamed.
 The next inspector gets 1½ cents a pair if she detects an imperfection.
 The fourth and final—the supervisor—receives 2 cents a pair if she discovers the slightest defect.
 This is the care we take to have your silk gloves absolutely perfect. This is why we can guarantee every one of the millions of Kayser Silk Gloves which American women wear each season.

© Julius Kayser & Co.

Foster & Stewart Co.'s TENT FABRICS

New standards for camping, lawn or seashore. Classy—durable, different. Stripes or solid colors. Rainproof—will not harden or crack in sun.
 Ask your dealer.

BROOKLYN NEW YORK

Bossert Redibilt Garage recently completed for large estate on the Hudson; chauffeur's quarters built on in rear.
The Ideal Garage for Summer or Winter
 Take one with you this Summer and bring it back if you want to. Just the thing for a rented place—equally good as permanent structure.
Bossert Redibilt Garages
 "Not Even a Nail to Buy"
 should not be confused with unlined houses generally sold as "portable," but which give a car no protection from cold in Winter and from extreme heat in Summer.
 Sections are ready painted at factory in two colors outside and oiled inside (you select the colors). Each section is of standard size and has Bossert air chambers like a hollow tile house—air chambers are lined with felt paper, the roof is covered with galvanized iron, and air chambers there are lined with asbestos. We use only the finest timber that grows.
 Remember that Bossert sections give extreme flexibility of construction. You can add to or subtract any of our standard designs just as you wish—and two unskilled workmen can put up or take down one in a day. Permanent in construction, yet all you need is a monkey wrench.
 Bossert Redibilt Portable Garages may be erected in New York City under fire ruling wherever frame buildings are permitted. Prices range from \$179 up, according to size. Send for illustrated catalog which also contains description of complete line of Bossert Redibilt Homes.

LOUIS BOSSERT & SONS
