The Adaptable Chair of Mahogany-Cane

There is no style in which utility and attractiveness combine to better advantage. Light in weight but strongly made of solid mahogany and good stout cane, comfortable in the extreme, with its broad variety in design and its soft, antique finish, a chair of this type is a most desirable element in the furnishing of any living room, library or hall.

We are showing many different styles in mahogany-cane chairs. The three illustrated are priced especially low this week. Some of the other prices are \$21.50, \$22.00, \$27.00, \$30.00, \$35.00, \$39.00.
