Have you ever used a soap prepared by a skin specialist?

If not, you do not know how beneficial a soap can be.

For thirty years John H. Woodbury made a constant study of the skin and its needs. He treated thousands of obstinate skin diseases, made countless skin tests, until he evolved the formula for Woodbury's Facial Soap.

In the booklet wrapped around every cake of this soap, are given the causes for all common skin troubles—conspicuous nose pores, oily skin and shiny nose, tender skins, etc.—and the proper treatments to relieve them.

If there is any condition of your skin that you want to improve, get a cake of Woodbury's today and follow carefully the directions given in the booklet. In ten days or two weeks your skin should show a marked improvement—a promise of that lovelier complexion which the steady use of Woodbury's always brings.

Do this today! A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

Woodbury's Facial Soap is for sale by every dealer and druggist in greater New York and, in fact, by dealers everywhere throughout the United States and Canada. Made by The Andrew Jergens Co., New York and Cincinnati.

The First Quarrel

The result of irritability brought on by fatigue

Do you feel cross and irritable at night? Have you quarreled without knowing exactly what you were quarreling about? Do little troubles assume an importance all out of proportion to their size? These are known symptoms of fatigue. They are evidences that you have overtaxed your strength, and are going on your nerve. This continued strain on your vitality does not give nature a chance to get you back to normal condition. One way you waste a great deal of strength

Is it any wonder you feel exhausted when all day you pound away on hard leather heels? Every step you take sends a jolt through your spine to your brain. That constant strain—that continual jolt itself produces fatigue, helps cause the formation of fatigue poisons, which are carried by the blood through the entire system.

Protect your nervous system

Have your shoes rubber heeled. O'Sullivan's Heels absorb the shock of every step. They are one of the most important modern devices for making life quieter, smoother, happier.

Be sure to get O'Sullivan's. Look for the name on the heel and avoid the disappointment of a substitute. Any shoe dealer or shoemaker can supply you; black, white or tan; for men, women or children. 50c attached.
