## Back to city streets

Just back from vacation! Teeming with surplus health! You step lightly from the train onto hard city pavements—Thump!

The rough jolt of that first step is a painful reminder of the discomfort in store for you. The joy of soft, green turf is gone for another weary year. You are back on relentless streets of stone!

These hard unyielding pavements will soon begin to tell on that surplus health you've just stored up.

Save the benefits of your vacation. Turn city streets to paths of yielding turf.

O'Sullivan shoes with heels of New Live Rubber give pavements and hardwood floors the ease and softness of country paths. These little shock absorbers prolong the benefits of your vacation.

They save your nervous system from the jolts and jars that tend to break down health.

When you buy your new shoes, buy them O'Sullivanized. Up-to-date shoe dealers now sell latest style shoes with O'Sullivan's Heels already attached.

Insist on O'Sullivanized shoes—the new live rubber heels give the greatest wear with the greatest resiliency.

Sold in black, white and tan; for men, women and children; at all shoe dealers and shoemakers, 50c attached.
