DOOMED!

THE leather heel has outlived its usefulness—it is doomed. Well suited as it was to walking on dirt streets and sidewalks of a century or more ago, it is no better adapted to our present "concrete age" than the sandals of ancient days would be.

Run down, in many cases, within two or three weeks, your heels show the effects of the continuous impact of hard leather on unyielding city pavements.

Save your heels, save your shoes—above all save your nervous system. Don't pound away your health with every step you take. Wear heels of New Live Rubber; they absorb the jolts and jars that wear you out. They last twice as long as leather and hold your shoes in shape much longer.

When you buy your new shoes, buy them O'Sullivanized. Up-to-date shoe dealers now sell latest style shoes with O'Sullivan's Heels already attached.

Insist on O'Sullivanized shoes—the new live rubber heels give the greatest wear with the greatest resiliency.

In black, white or tan; for men, women and children; 50c attached.

Copyright O'Sullivan Rubber Co., 1916.

Ageing, wrinkled skins

How to keep them young

As soon as you let your skin grow lax and sluggish, the tiny wrinkles, and then the bigger ones, will come.

But you can keep your skin so firm, so active that it will defy wrinkles and will retain its clear, smooth youthfulness. To do this, make the following Woodbury treatment a daily habit.

Bathe your face and neck with plenty of Woodbury's Facial Soap and hot water. If your skin has been badly neglected, rub a generous lather thoroughly into the pores using an upward and outward motion, until the skin feels somewhat sensitive. After this, rinse well in warm, then in cold water—the colder the better. Whenever possible, rub your skin for a few minutes with a lump of ice, and dry carefully.

Woodbury's Facial Soap is the work of a skin specialist. This treatment with it cleanses the pores, then closes them

and brings the blood to the surface. Use it regularly and it will keep your skin so firm, so healthy and active that it will resist wrinkles and retain that fresh, clear youthful look you want it to have. Woodbury's Facial Soap is the work of a skin specialist. This treatment with it cleanses the pores, then closes them and brings the blood to the surface. Use it regularly and it will keep your skin so firm, so healthy and active that it will resist wrinkles and retain that fresh, clear youthful look you want it to have.

Do this today! A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

Woodbury's Facial Soap is for sale by every dealer and druggist in greater New York and, in fact, by dealers everywhere throughout the United States and Canada. Made by The Andrew Jergens Co., New York and Cincinnati.
