The Nestlé Permanent Hair Wave

Before Waving

Nestle Waved

The Nestle establishment should not be confused with "hair-dressing parlors." Only permanent hair-waving is done by Mr. Nestle and his staff, consequently only experts touch your hair. Furthermore, the Nestle Treatment is not a "hit or miss" method, but is the result of Mr. Nestle's scientific investigation of the hair.

In these days when every so-called hair-dresser attempts permanent hair-waving, it is wise to remember that the Nestle Wave is a scientific treatment, imparted by specialists only, and is fully guaranteed.

The new way to manicure

Softens and removes surplus cuticle without knife or scissors—does away with tiresome soaking of the nails—takes half the time heretofore required.

To get an entirely new idea of how easily you can give your nails a wonderful manicure, use Cutex, the harmless cuticle remover. With it, you can do away with cutting—you can keep a firm, smooth cuticle and shapely nails.

Cutex is absolutely harmless!

Just how to do it

First, file with steel file until your nails are the proper length. Manicurists who have the most fashionable New York clientele say that it is now considered good form to have the nail conform to the shape of the finger tip.

Open the Cutex package, and you will find orange stick and absorbent cotton. Wrap a little cotton around the end of the stick and dip it into the Cutex bottle. Then gently work the stick around the base of the nail, pushing back the cuticle. Almost at once you will find that you can wipe off the dead surplus skin. Rinse the hands in clear water.

Finish with a touch of Cutex Nail-White. It leaves the nails immaculately clean. Cutex Nail Cake, rubbed on the palm of the hand and passed quickly over the nails, gives you a most delightful polish. Should you wish an especially brilliant, long-lasting polish, use Cutex Nail Paste first, then the Nail Cake.

Try it now—see what a big improvement it makes

Ask for Cutex—the new Cuticle Remover, wherever toilet preparations are sold. Cutex comes in 50c and $1.00 bottles; introductory size, 25c. Cutex Nail-White is only 25c. Cutex Nail Polish in cake, paste or powder form, is also 25c. If your favorite shop has not secured a stock, write direct.

Send for sample

Send 14c and we will send you complete Cutex manicure outfit—Cutex Cuticle Remover, Cutex Nail-White, Cutex Nail Cake and Cutex Cuticle Comfort, even including cotton, orange stick and emery boards. Enough for at least six applications. Send for it today. **Northam Warren,** (9AA.) **West Broadway, New York.**
