Have you ever used a soap prepared by a skin specialist?

If not, you do not know how beneficial a soap can be.

For thirty years John H. Woodbury made a constant study of the skin and its needs. He treated thousands of obstinate skin diseases, made countless skin tests, until he evolved the formula for Woodbury's Facial Soap.

the directions given in the booklet. In ten days or two weeks your skin should show a marked improvement—a promise of that lovelier complexion which the steady use of Woodbury's always brings.

In the booklet wrapped around every cake of this soap, are given the causes for all common skin troubles—conspicuous nose pores, oily skin and shiny nose, tender skins, etc.—and the proper treatments to relieve them.

Do this today! A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

If there is any condition of your skin that you want to improve, get a cake of Woodbury's today and follow carefully
