YOU CAN make your skin what you would love to have it

Your skin, like the rest of your body, is continually changing. As old skin dies, new skin forms. Every day, in washing, you rub off the dead skin.

This is your opportunity—you can make the new skin what you would love to have it by using the following treatment regularly.

Just before retiring work up a warm water lather of Woodbury's Facial Soap in your hands. Apply it to your face and rub it into the pores thoroughly—always with an upward and outward motion. Rinse with warm water, then with cold—the colder the better. If possible, rub your face for a few minutes with a piece of ice.

of a skin specialist. This treatment with it will make your skin fresher and clearer the first time you use it. Make it a nightly habit and before long you will see a decided improvement—a promise of that lovelier complexion which the steady use of Woodbury's always brings.

Do this today! A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Go to your druggist or toilet counter today and get a cake. Begin at once to get the benefits of this treatment for your skin.

Woodbury's Facial Soap is for sale by every dealer and druggist in greater New York and, in fact, by dealers everywhere throughout the United States and Canada. Made by The Andrew Jergens Co., New York and Cincinnati.

DEAF?

Let Me Show You that You Can Hear!

Don't say that it cannot be done. Had Mr. Bell said that, there would have been no telephones. I have shown over 265,000 deaf persons that they can hear distinctly and have thousands of grateful letters from them, mostly because I said to them what I now say to you—"My company does not want a cent from you until you know that the Acousticon will make you hear." Just send a line and say "I will try the Acousticon." We will immediately send you, charges paid, the

1917 Acousticon for NO DEPOSIT FREE TRIAL NO EXPENSE

After you have given it any test that you choose, it is entirely for you to say whether you will keep or return it. At least you will know whether you are among the hundreds of thousands of fortunate ones to whom it does restore normal hearing. And it will have cost you nothing to test it at all cost.

Warning! There is no good reason why everyone should not make as liberal a trial offer as we do. The Acousticon has improvements and patented features which cannot be duplicated. So no matter what you have tried in the past, send for free trial of the Acousticon today and convince yourself—you alone to decide. Address me personally if you prefer. R. M. TURNER, Pres.
