## The Rich Soft Glow

that you associate with a luxuriously furnished room—the soft-toned lighting that creates an atmosphere of subtle good taste—can be bestowed upon your living-room or music-room by a "single touch," as if by a magic wand, by the CURTIS Art-Lamp (table, floor, or piano), the newest product of "The Father of Indirect Eye-Comfort Lighting." How you will enjoy the bewildered faces of your guests when you pull the chain, the room is instantly filled with a suffused glow of entrancing light, and they look vainly in the corners of the ceiling for the hidden source of the strangely beautiful illumination! Come and see and be charmed! No fixture to install. Styles in infinite variety. Come tomorrow. Eye-Comfort Lighting Shop, 21 W. 46th St., New York—(or send for beautifully illustrated booklet.)
