

# MALLINSON'S Silks de Luxe

LIFE, gayety, sunshine—the very spirit of sport, seems woven in Mallinson's Sport Silks de Luxe.

One glance at "Khaki-Kool," for instance, and you will understand why leading designers have used it in their creations of sport wear of all kinds—suits, skirts, waists, hats, coats, and even for bags and parasols.

Mallinson's are the silks of inspiration. They inspire sport styles. Sport garments are made by, not merely of them. The originality of Mallinson's Silks imparts origination to the modiste. It imparts individuality and distinction to the wearer. When you wear Mallinson's Silks de Luxe, you do not look like every other woman—every other woman wants to look like you.

## THE GATEWAY TO A THOUSAND-AND-ONE ENTERTAINMENTS

THE Columbia Grafonola is an instrument of infinite possibilities. It can make an instant reality of a longing to hear the art of great singers; it can improvise at call a concert-platform on which the magicians of music appear; it can summon, one by one, the star entertainers who make the entire country laugh; or bring the brilliance of a full orchestra within the confines of the drawing room.

The Columbia Grafonola, playing Columbia Double-Disc Records, is the living, breathing embodiment of art; for the tone of Columbia Double-Disc Records is life itself—REALITY! "Hearing is Believing."
