

Now is the Time to Buy

THIS interesting suite made of beautifully figured American Walnut, consisting of ten pieces in the style of the Italian Renaissance, is offered during this month of readjustments at the exceptional price of \$450.00. It is one of many, specially priced during February, from \$195.00 to \$1750.00.

MAY we send you "Hathaway Furniture," our new Brochure?

THE February sale is an established custom in the furniture business. This house is now offering at decided price concessions exceptional suites and single pieces on which our reputation has been built. Our activities during the past year have made it necessary to replace many of our most popular productions. With many new designs arriving we are obliged to dispose of a considerable share of this most interesting collection. The prices on hundreds of pieces have been materially reduced. It is a time when you can buy to the greatest advantage. Selections made now will be held for future delivery if desired.

The Nestlé Permanent Hair Wave

Nestlé Waved

Miss Down's hair, also Nestlé waved on December 30th, was long and strong, but straight as a string. The photograph gives an excellent example of the beauty and efficiency of the Nestlé wave when imparted to the straightest hair. The original photographs can be seen at our establishment as they are taken from week to week.

We specialize in nothing but permanent hair-waving, which is the original invention of Mr. Nestlé. Apply for illustrated booklet.
