### Big sister knows what splendid fudge it makes—

YES, it happens in the best of families. Runkel's—having filled with utmost satisfaction the roll of Chief Beverage to the Family's Meals—has made its debut as the greatest little fudge-maker there ever was. Being so finely powdered, you know, it dissolves easily and completely, carrying to the candy the FULL

"chocolaty" flavor of the rich cocoa beans. Since fudge depends on flavor and smoothness more than on anything else, you can see why Runkel's is getting to be a BIG favorite with everybody who likes to make GOOD fudge. If you haven't "discovered" for yourself this delightful (and EASY) way of making fudge, and how useful Runkel's is in making cocoa puddings, icings, etc., just go to your grocer's today and

Runkel's Cocoa—being so much more finely powdered—dissolves more easily and completely, giving the full, natural "chocolaty" flavor of the rich cocoa beans. Food experts say a cocoa with 28% cocoa butter is too rich and indigestible and that a cocoa with only 20% is "too lean." Runkel's has 24%—just right to give maximum nutrition with complete ease of digestion. Try Runkel's—at any good grocer's. Or a Family Taste Size for trial direct from us for 10c in stamps.
