Why does your grocer say "Runkel's" to YOU?

BET your bottom dollar on it—he knows! He knows that he can honestly recommend Runkel's as the cocoa that gives maximum nutriment, easily digestible—the cocoa that is so finely powdered that it dissolves easily and completely—the cocoa that is so

smooth and tasty that one cup makes you want more of this cocoa with the "chocolaty" taste.

He knows that once you try Runkel's he makes a satisfied customer—a friend for his store.

Get ahead of your grocer—before he says it next time you

Runkel's Cocoa—being so much more finely powdered—dissolves more easily and completely, giving the full, natural "chocolaty" flavor of the rich cocoa beans. Food experts say a cocoa with 25% cocoa butter is too rich and indigestible and that a cocoa with only 20% is "too lean." Runkel's has 24%—just right to give maximum nutriment with complete ease of digestion. Try Runkel's—at any good grocer's. Or a Family Taste Size for trial direct from us for 10c in stamps. Ask for our new Book of Tasty Things—FREE for your grocer's name. Runkel Brothers, Inc., 424 West 30th Street, New York.

Say **Runkel's Cocoa**—the COCOA with that "Chocolaty" Taste
