LIFE in London is largely a matter of three meals a day, a bed, and an Aquascutum. And so tenacious are English traditions that the Aquascutum has gone with the army to the trenches.

They have achieved the rarest distinction that can ever come to a man or to an overcoat—INDISPENSABILITY. In a fog or a drizzle, in hail, snow, or a driving rain, you can bank on an Aquascutum to come through!

*London has raised the prices
on Aquascutums for this
Spring—we haven't.*
