The things that will get dusty!

Even before they begin to look the least bit dingy, the silk curtains at the windows, the lace or net ones under them, the snowy lace pillow tops, the finely embroidered table linen—all are sent quickly to the Lux suds—to come back fresh and new.

Use Lux for anything that can be washed in water.

Whisk the Lux flakes into a foamy lather in very hot water. Let the water become lukewarm—put in your silks or laces, let them soak a few minutes. Then dip them up and down again and again. Any spots press gently between the hands—do not rub. Rinse in three waters the same temperature as the water in which you washed them.

The thin Lux flakes dissolve instantly in hot water—there are no pieces to stick to the fabric.

The dirt dissolves in the fluffy Lux lather, and comes out absolutely without rubbing.

Your Grocer has Lux, and all the department stores. Lever Bros. Co., Cambridge, Mass.
