 Make This Test in Your Own Home

The Acousticon will surely make you hear because it has succeeded with over 300,000 delighted patrons of ours who were so troubled.

You do not know this, however, and we are confident enough to want everyone to know before he spends a cent.

Everyone knows that deafness is progressive—and unless the ears are stirred to activity they grow steadily worse; thousands write us the Acousticon enables them to hear perfectly and has permanently improved their hearing.

Therefore we ask that you write us, saying "I am hard of hearing and will try the Acousticon"—That's all. We will send you, delivery charges paid, the Acousticon.

All we ask is that you give it a fair trial. In your own home and among familiar surroundings. Then there can be no doubt of whether it improves your hearing.

If it does not do so, we want it back without a cent of expense to you for the trial, because we know it is good business policy to have none but satisfied and enthusiastic customers—That's the only kind we now have.

Lillian Russell's OWN SMOOTHOUT CREAM

It Velvetizes the Skin

"YOU know that wonderful feeling of pure joy which descends upon you as you change into soft, loose clothing after a refreshing tub? Well, that's just the way your face feels when you smooth out all its tired tissues and tense muscles with my own Smoothout Cream.

"As soon as it touches your cheeks Smoothout liquefies and is swallowed up thirstily by the tiny pores. Cooling, soothing, delightful.

"Pat it into your face with the finger tips. Smoothout restores to the tissues the elasticity of youth, cleanses the pores, clears the blemishes and velvetizes the skin.

"Just astringent enough to refine the pores and make a splendid base for face powder.
