

"HOW they did enjoy the coffee! It seemed to put new life into the party! The master always says nothing else in the dinner is so important."

The flavor of Yuban is always commented on. It is so unusual in flavor—so much more delicious than other coffees that your guests notice the difference instantly. Serve Yuban in your home. See why it is the most popular coffee in New York.

Vanity Fair Pettibocker

THE Vanity Fair Pettibocker has broken the shackles of feminine attire! Today when Fifth Avenue breezes blow you think you see a silken bit of underskirt—but you don't! It's just her Pettibocker frill.

The Pettibocker—you've guessed it—is a combination petticoat and knicker. There's all the feminine frilliness of one—all the comfort of the other.

In pink and white for evening wear—in grey, taupe, brown, sand, navy, green, gold, purple or black and other street shades.

Your favorite shop doubtless has the Pettibocker and the other Vanity Fair Undersilks. Write for catalog—it tells about the Plus-Four-Inch Vest, the Sure-Lap Union, the full-cut knickers and other smart styles.
