

Blackheads are a confession

that you are using the wrong method of cleansing for your type of skin.

The following famous Woodbury treatment will keep your skin free from this disfiguring trouble.

Apply hot cloths to the face until the skin is reddened. Then with a rough washcloth work up a heavy lather of Woodbury's Facial Soap and rub it into the pores thoroughly—always with an upward and outward motion. Rinse with clear hot water. Then with cold—the colder the better. If possible, rub your face for a few minutes with a lump of ice. Dry the skin carefully.

Do not expect to get the desired results by using this treatment for a time and then neglecting it. But make it a daily habit and it will give you the clear, attractive skin that the steady use of Woodbury's always brings.

To remove blackheads already formed, substitute a flesh brush for the washcloth in the treatment above. Then, protect the

fingers with a handkerchief and press out the blackheads. Thereafter use the above Woodbury treatment in your daily toilet.

A 25c cake of Woodbury's Facial Soap is sufficient for a month or six weeks of this treatment. Get a cake today. It is for sale by dealers everywhere throughout the United States and Canada.

"See how wonderful Vanishing Cream has made my skin look—so soft and pink and velvety—and it will stay so all evening, too."

"Until I used Pond's Cold Cream I did not know how purifying, how refreshing a cleansing cream could be."

Every woman needs these two

Learn why every normal skin needs two creams

To give your complexion the care it needs, two creams are necessary. For cleansing and massage, a cold cream (oil cream) should be used. To protect the skin and keep it soft and pliant, a greaseless cream should be used.

Be guided by these beautiful women

Pond's Vanishing Cream is used by every one of these famous actresses—Frances Starr, Jane Cowl, Constance Collier, Elsie Ferguson, Phyllis Neilson-Terry, Pavlowa, Pauline Frederick, Martha Hedman, Billie Burke, Marion Davies, Norma Talmadge, and countless others.

Neither Pond's Cold Cream nor Pond's Vanishing Cream will cause the growth of hair. On sale in all drug stores and department stores. Get a tube or jar of each cream today and see how quickly their use will improve your skin.
