

**As smart as a French gown**

THE influence of Paris is as noticeable in Kayser Italian Silk Underwear as it is in a Paquin gown. Kayser's get fashion prophesy first hand. Kayser's maintain their own representative in Paris, who sends their designers in New York the news of tomorrow in the fashion world. This makes it possible for Kayser's to bring out the first undergarment to meet a change in style.

One of Kayser's latest creations is the Opera Top. This is a patented top combining vest and bodice; by slipping the shoulder straps under the arms and drawing them in, you can quickly change the top from a regular vest to a bodice for evening wear. The illustration shows you the convenience of this new garment.

Ask for it by name: Kayser Italian Silk Opera Top. Patented Jan. 30, 1917.

Look for the label  
Insist on seeing the label on every piece of silk underwear you purchase. The genuine Italian Silk Underwear bears a label in every garment plainly marked "Kayser Italian Silk." One blue star on the label indicates the lighter weight silk—three stars the heavier weight.
