Remember the Lusitania

Actual reproduction of medal circulated in Germany in commemoration of the cowardly sinking of the Lusitania. Make it your patriotic duty to expose this example of the Hun's frightfulness. Buy a medal—The Mark of the German Beast—first-hand evidence to pass down to your descendants to teach them scorn of such dastardly cruelty and cowardice.

A Memento of The Great War

It is over two inches in diameter, and is a perfect bronzed reproduction of the original. Will be sent postpaid in cardboard box with complete descriptive data of the medal and the lies it portrays upon receipt of one dollar (\$1.00). Send Post Office money order or insure remittance to Lusitania Medal Co., Room 245, Metropolitan Tower, New York City. Local agents wanted to distribute these medals.
