\$2 Invested in Vogue
a tiny fraction of your loss on one ill-chosen gown

Will Save You \$200

This year, above all others, when extravagance and waste are to be avoided, you should have Vogue at hand. For, now every woman must devote even more than her customary care to the selection of her wardrobe, so that not one hat, gown or wrap may remain unworn and its price wasted.

The gown you buy and never wear is the really expensive gown. Gloves, boots, hats, that miss being exactly what you want, are the ones that cost you more than you can afford.

VOGUE suggests that before you spend a single penny on new clothes, before you even plan your wardrobe, you consult its great Autumn and Winter Fashion Numbers.

THESE ARE THE 9 NUMBERS OF VOGUE WHICH YOU WILL RECEIVE FOR \$2

★Ten if you mail the coupon now

★Forecast of Autumn Fashions September 15
The earliest advance information from Paris on the new silhouette—saving you from the costliest of all errors: a wrong start.

War Time Modes and Autumn Patterns	October 1	Christmas Gifts Number	December 1
First aid to the fashionable woman of not unlimited means who wishes to curtail her expenses without in the least sacrificing smartness.		Hundreds of gifts of distinction, ranging from \$2 to \$2,000, good in value; actually purchasable.	
Paris Openings	October 15	Holiday Number	December 15
The combined fashion exhibits of Paris, sketched and described by Vogue's own artists.		Last minute gifts; decorations for the Christmas table; diversions for the holidays.	
Winter Fashions	November 1	Lingerie Number	January 1
Showing the mode in its Winter culmination; hats, furs, frocks, accessories; what is worn and who wears it.		Fine linens for household and personal use; their choice, marking, and care.	
Vanity Number	November 15	Motor and Southern Number	January 15
Graceful touches that make the smart woman smart; where to get them and how to use them.		Everything new in the motor world; where to go and what to wear in the South.	
		Forecast of Spring Fashions	February 1
		The first authentic Spring styles—the trend of the mode—fully illustrated.	

In the next few months, during the very period in which Vogue's special Fashion Numbers appear, you will be selecting your entire wardrobe for the coming Autumn and Winter, and spending hundreds of dollars for the suits, hats, gowns and accessories that you select.

Consider, then, that for \$2, a tiny fraction of your loss on one ill-chosen hat or gown, you may secure ten issues of Vogue—an assurance of valuable and new ideas and an insurance against costly failures.

Don't Send Money

You need not bother to enclose a cheque or even to write a letter. The coupon opposite will do, and is easier and quicker. With one stroke of the pen, you will solve your entire clothes problem for autumn, winter, and the coming spring.

★ SPECIAL OFFER

If your order is received immediately, we will start your subscription with the current Forecast of Autumn Fashions Number—thus giving you ten numbers of Vogue instead of nine without any extra charge. Since the additional copy must come out of a small supply on hand to meet the demand for this big special number we cannot guarantee being able to send it unless the coupon is mailed immediately.

Send an order to **VOGUE, 19 West 44th Street, New York City** and enclose the coupon. If you do not wish to enclose the coupon, you may send your order to the nearest office of the publisher, and enclose the coupon there.

Regular subscription price, \$5 a year, (24 issues.)
