Fashions New Fabric

Laine de Guerre
TRADE MARK REG'D
MAISON HAAS, INC.
PARIS NEW YORK

(CLOTH OF WAR)
Styled into
Fashions' New Silhouette in
Dresses, Suits & Coats

L AINE DE GUERRE, a new knitted weave of Southern France, has won universal approval in Paris, and now promises style dominance in America.

This war-time fabric, combining style with durability, will surpass in popularity the success we predicted for Wool Jersey and Tricolette.

Laine de Guerre is imported and controlled exclusively by us. It finds its way into Maison Haas' models alone!

Imitation might result, but duplication cannot. Already the biggest stores in America have recognized the style dominance that awaits Laine de Guerre, and express their confidence by placing substantial orders. You will add to the fashion leadership of your store in your city if you are the first to feature Laine de Guerre.

"At last—the perfect silk knicker: no seams to pull and rip"

"That's what I said when the saleswoman showed me the new Marvelfit Knicker of Kayser "Italian" Silk. And it wears wonderfully because it stretches with every step!

"The seat has a gore of Italian Silk fabric inserted on the bias. This gives it a stretch of at least four inches more than that of the ordinary knicker. There are no seams to pull and rip—the strain is relieved and these knickers wear three or four times as long as the old-fashioned kind with the seams. They are an economy in these times."

You can obtain the Marvelfit features only in the genuine Kayser Italian Silk Union Suits, Vests and Knickers.
