Weighing the Baby

Weighing Household Goods

Of course you weigh your baby. But are you using the right kind of scale for this important purpose?

The "Perfection" Scale meets all Government requirements for highest accuracy. Registers every 1/4 oz. up to 37 lbs. or up to 52 lbs. if desired. No springs, no complicated parts.

In addition to weighing baby, the "Perfection" may also be used for weighing all kinds of household commodities. Furnished with handsome wicker basket and strong metal scoop which are interchangeable.

A five year guarantee with each scale. Approved by Good Housekeeping and by Tribune Institutes. Sold at good stores or write us.

Price (37 lb. capacity) \$20.00. With either basket or scoop \$18.00. 52 lb. capacity, \$1.00 extra. Baby Book free.

FRAGRANT INCENSE

By simply placing a small quantity of incense in the burner and applying a match, it will immediately smolder and diffuse a dreamy fragrance most pleasing to the senses. When burned in reception hall, its perfume will pervade the upper rooms, purifying the air by absorbing and dispelling all odors. It is used extensively in the boudoir, where its soothing perfume is said to induce restful sleep, and, when burned near clothes closet or press, will impart a most pleasing perfume to all clothing contained therein.

On sale in our Perfumery Dept., or send \$1, (money order, check or registered currency,) and by return mail we will forward, pre-paid, the set illustrated, which includes burner, package of our famous incense and complete instructions for using. Specify T 1002. (Incense only, medium size, 50c; large size, 90c.)
