A Dressing Does More For Your Shoes

If you have ever wondered how some people you know manage to keep their shoes looking so new, perhaps you have never considered the vast difference between an ordinary shoe polish and a truly fine shoe dressing.

Where any shoe polish may just give you a shine, Griffin Lotion Cream *does more*—it cleans the leather thoroughly, and spreads a waxy film that softens and preserves the leather, prevents cracking, and—how it does make your tan shoes glisten.

GRIFFIN LOTION CREAM

for all tan and brown shoes, grey and colored glazed kids.
