### Read what Geraldine Farrar says of Cutex

So beautifully smooth and even does Cutex leave the skin at the base of the nails, that I never think of allowing my cuticle to be cut

*Geraldine Farrar*

When you see how lovely Cutex makes your nails, you will wonder how you ever tolerated cutting the cuticle

To keep your nail tips white all day, apply Cutex Nail White underneath them in the morning

For a delightful, lasting polish, use Cutex Nail Polish. Comes in any form you desire

## The modern way to manicure

To keep your own nails exquisite, shapely, manicure without cutting the cuticle

CUTTING the cuticle leaves a rough, uneven edge. The more you cut it, the tougher, drier and more irregular it becomes.

Cutex, the modern cuticle remover, has done away forever with this tedious and harmful cutting.

Wrap a little cotton around the end of an orange stick (both come in the Cutex package), dip it into the bottle

of Cutex and work around the base of the nails, gently pushing back the cuticle. Rinse the fingers in clear water.

If you like snowy-white nail tips, apply a little Cutex Nail White underneath the nails directly from its convenient tube. Finish your manicure with Cutex Nail Polish.

When you see how lovely Cutex makes your nails look—what a smooth, even line it gives the cuticle at their base, you will never go back to the old cuticle-cutting method again.

Secure Cutex at any drug or department store. The Cuticle Remover comes in 35c and 65c bottles. Cutex

Nail White, Nail Polish and Cuticle Comfort are each 35c.
