DULUTH TRADE MARK REG. U.S. PAT. OFF. "Bigger than Weather"

GREATCOATS for Men and Women

FASHIONABLE models, excellent tailoring, distinctive lines, choice fabrics—the Patrick Duluth north country cloth—identifies Patrick Products.

There is no other cloth just like Patrick cloth. It is essentially a north country fabric made from the thick, long-fibre wool of "sheep that thrive in the snow."

Wherever you find the Patrick Label—whether on Greatcoat, Mackinaw, Sweater, Blanket, Robe, Cap or Stocking—you know that it marks a product of pure, long-fibre wool from northern sheep.

Ask your dealer for Patrick Products. If he does not carry them, let us direct you to one who does.

Get our new catalog showing styles for men, women and children, with Patrick Products shown in colors; also our book, "Bigger Than Weather," by Elbert Hubbard. Both are free.
