

**Teneo**  
SNAPS

The lines of your tailored gown or filmy evening frock—they depend entirely upon the perfection of the fasteners. To insure unbroken lines of grace and exquisite nicety of detail the fasteners must perform their duties so perfectly that their presence is invisible, unsuggested. Such a perfect fastener is Teneo!

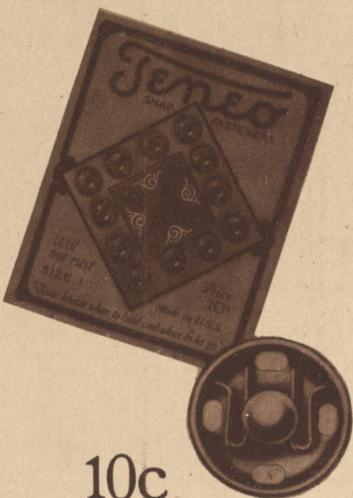

Especially designed for fashion usage, **Teneos** lie flat against the garment. Made with large oval holes and smoothly rounded edges, they not only receive sufficient thread to hold securely, but absolutely refuse to cut the thread. **Teneos** are invariably used by the more fashionable modistes wherever a quality fastener is needed.

Obtainable in all sizes, black or white, guaranteed rust-proof.
