## WOMEN'S "BINNER" CORSETS

TO be fashionable, the silhouette should be slender and these "Binner" corsets accomplish this by moulding the figure into slender and youthful lines.

TO enumerate some of the many good points of this "Binner" corset (illustration at left), designed for average or full figures—there is sufficient fullness at the top providing comfort for the diaphragm—the closely set boning is soft but firm—and the hips and back are long and straight. Made of orchid Broche; in sizes 24 to 30.

THE low top, unboned sections over hips and elastic gores bespeak comfort for this low bust "Binner" corset (illustration at right), adaptable to the medium full figure, while the long straight boning at back produces the slender flat lines in accord with Fashion's decree. Made of pink mercerized Coutil; in sizes 23 to 30.

## VAN RAALTE

"Niagara Maid"  
GLOVE SILK UNDERWEAR

"Of all silk underwear I prefer Van Raalte. Its pure silk fabric wears so much better and it never loses its delicate pinkness in laundering. Besides, the styles are more becoming and the trimmings and embroideries are as pretty as they can be."
