The New Premier Pathscope Flickerless "Safety Standard" Motion Picture Projector

Embodies seven years of successful experience gained in the world-wide sale and use of over 10,000 former models in exclusive City and Country Homes, Schools, Churches, Clubs and Commercial Establishments.

The New Premier is as great an improvement over the former models as the modern self-starting, high-powered limousine is superior to the auto of ten years ago. So simple that anybody can operate it. So exquisitely built that its pictures amaze and delight the expert critics. So safe with its narrow width, slow-burning film that it is labeled by the Underwriters "Enclosing booth not required." Can be used anywhere without a licensed operator or insurance restrictions.

The operation of any portable projector using celluloid films, without a fire-proof enclosing booth is prohibited by State, Municipal and Insurance restrictions, and the violator is subject to severe penalties.

Weights only 23 pounds with universal motor. Fits in a small suitcase for the traveller or can be mounted on a handsome cabinet. Through the Pathscope Film Exchanges already established in principal cities the Pathscope owner may rent or exchange reels as often as desired. Nearly 1,600 reels of the world's best Dramas, Comedies, Animated Cartoons, Scientific, Travel, Educational and War Pictures now available, and more added weekly.

Think of having Mary Pickford, Charlie Chaplin, Wm. S. Hart in your own home,—or you can

We number among our patrons Vincent Astor, Mrs. J. Ogden Armour, Frederick G. Bourne, Geo. F. Baker, Jr., Mrs. Edwin Gould, Mrs. Pembroke Jones, H. O. Havemeyer, Jr.; Otto Kahn, Chas. S. Mellen, Henry C. Phipps, Mrs. Jacob Schiff, Mrs. Alfred G. Vanderbilt, F. W. Woolworth and others.

Schools and Institutions

Over two hundred thousand Public School children see Pathscope Educational Pictures every week through the equipment of only one hundred of the New York Public Schools. All schools need and should have them. Many now used and more needed by the Y. M. C. A., Boy Scouts, Camp Fire Girls, Christian Endeavor Society, Epworth League, Social Settlement Workers, Parents Associations, Industrial Welfare Societies, Orphan Asylums, Convalescent Homes, Sanitariums—everywhere that life can be made better worth living by the safe use of wholesome motion pictures.

Industrial Users

We number among our clients the most prominent manufacturers using motion pictures as an aid to salesmanship. Many of them adopted the Pathscope after unsatisfactory and expensive efforts to use unapproved projectors with dangerous celluloid films. The salesman equipped to show his product by motion picture not only gets a showing but gets the order. Literature on request if not convenient to call at the Pathscope Salon for a demonstration.

Photographing Personalities

Champlain Studios have the deserved reputation of producing photographs that bear the expressions of personality which characterize a subject.

All charm of personality is faithfully portrayed in photographs of our younger posers as well as the grown-ups.
