

NUCOA

Butters Bread Stays Sweet

"I'm churning
NUCOA
sir," she said.

NUCOA is a pure and rich spread for bread that you will find more satisfying, every day in the year, than any butter you have ever used. It is not an imitation of anything. It is just its pure self.

La-may Face Powder is now used by over a million American women!

A specialist has at last perfected a pure face powder that is guaranteed harmless to the most delicate skin. It beautifies wonderfully, because it helps to clear and lighten the skin and protect the complexion from blemishes. And it really stays on better than any other face powder. This famous La-may Powder (French, Poudre L'Amé) does not contain starchy rice powder or dangerous white lead to make it adhere. Five thousand dollars reward will be given any chemist who finds that La-may contains any white lead or rice powder. All dealers carry the large sixty-cent box, and many dealers also carry the generous thirty-cent trial size. When you use this harmless powder and see how beautifully it improves your complexion you will understand why La-may so quickly became one of the most popular beauty powders sold in New York. We will also give you five thousand dollars if you can buy a better face powder anywhere at any price. Herbert Roystone, 16 East 18th St., New York. Save this notice.
