What every real boy wants for Christmas

CHRISTMAS and a Winchester! What a combination for a real American boy!

Nothing on earth gives a boy more pleasure than a gun. And it gives him valuable training, too—every American boy ought to know how to shoot.

The new W. J. R. C. Range Kit contains everything a boy needs for rifle shooting. A .22 calibre bolt action rifle—a real Winchester—with lots of cartridges and targets, and a guncase, cartridge belt and cleaning outfit.

With such a splendid equipment any boy can learn to shoot—and shoot safely. Each kit contains a copy of the W. J. R. C. Rule Book, which tells how to handle a rifle with perfect safety, and describes all the fine points of shooting.

And the new Range Kit is the official outfit of the Winchester Junior Rifle Corps. With this kit any boy can compete for the famous Winchester trophies, the Marksman, Sharpshooter and Expert Rifleman Medals. Thousands of American boys are now winning these rewards for skill.

And when a boy learns to shoot he can have no end of sport. With a Winchester .22 rifle he can hunt small game—he can shoot rats, sparrows, starlings, crows and other pests.

Go to your dealer and ask to see the W. J. R. C. Range Kit. Examine the whole outfit. Fit the sturdy little rifle to your shoulder—you won't be able to keep your hands off it.

See the dealer to-day—before his Christmas supply is gone.
