THIS photograph of a cozy nook on the lawn of a Long Island home was taken during the recent severe hot spell. The shade of the pines made this a cool, comfortable spot. The family lives here the year round—no going away for "vacation" this summer—to return to a stuffy flat in the Winter. With its short commuting distance, they have an acre on which they really "live." The pines and other evergreens give them refreshing coolness in the hot days, and warmth, color, and protection against wind and storm during the Winter. The cost of the planting is surprisingly small, and we give you immediate results—everything in full leaf—two years of waiting—and guaranteed to be right and keep right, (our own inspection service watches everything—no waiting for you to complain.) This is not a rich man's luxury—it's common-sense comfort and happiness for everybody. Talk it over with us now—write us for fuller details or phone us tomorrow.

The Nestlé Permanent Hair Wave

Do you like just a slight suspicion of a permanent wave in your hair, just taking the straightness away, or do you prefer a more showy wave of the "Marcel" type, or a tight small wave such as may be produced by your own hair-curlers? Whatever it may be, you will get it at "Nestlé's," the original and most successful permanent wavers in the world. Two hours, comfortably spent, will give you the desired results. Ask to see Mr. Nestlé for his advice. Illustrated booklet free.

Fortunate is the woman who goes through the trying Summer season without injury to skin or blemish to complexion—who has learned and profits by the knowledge that D. & R. Perfect Cold Cream is the sustaining aid of good complexion.

For more than twenty-five years knowing women have preferred and used exclusively D. & R. Perfect Cold Cream in every season, especially Summer, when so much time is spent outdoors, with consequent greater risk on the skin. If you motor, golf, row, or swim; if you travel by boat, train, or trolley; if your time is mostly occupied by home affairs or office duties, proper regard for your personal appearance calls for D. & R. Perfect Cold Cream—"The Kind That Keeps," that cleanses, that refreshes, that revives, that comforts the skin and beautifies the complexion.
