This woman wore hers three years!

"Incredible!" you say, unless you wear Kayser Italian Silk Underwear yourself.

The wearing quality of Kayser Italian Silk Underwear is due to these fundamental facts: There is more silk in Kayser's than in any other silk underwear, each garment is cut individually and carefully tailored and fits the figure correctly. The result is that a Kayser Italian Silk garment when properly washed and cared for will far outwear ordinary underwear. Thousands of women have learned to look upon Kayser Italian Silk Underwear as a genuine economy.

Always look for the label

Insist on seeing the label on every piece of silk underwear you purchase. The genuine Italian Silk Underwear bears a label in every garment plainly marked "Kayser Italian Silk". One blue star on the label indicates the lighter weight silk—three stars the heavier weight.
