

Silk underwear that fits and wears

THE most interesting and practical improvements in silk underwear designing are ready to be seen now at your favorite store.

These exclusive Kayser Marvelfit features insure perfect fit and wear—therefore economy. They are patented and you will find them only in silk underwear labeled Kayser Marvelfit.

Look for the Kayser Marvelfit Italian Silk Label

One blue star on the label indicates the lighter weight—three stars the heavier weight. Julius Kayser & Co., New York.

The Kayser Marvelfit Italian Silk Knicker (patent applied for) has a gore of the same silk fabric inserted on the bias. This gives it a stretch of at least four inches through the crotch where other knickers break at the seam. The leg is cut fuller, too. There is no binding, no strain. Consequently, these knickers wear three times as long as the old-fashioned kind with the seam.

The Kayser Marvelfit Italian Silk Union Suit (patented) is tailored full in the front and wide and comfortable in hip and seat.

The shoulder straps are brought higher on the back and nearer together. This makes the back fit smoothly.

The seat is made with patented flaps in front and back that remain closed, in whatever position the wearer assumes.

The reinforcements are enlarged to protect thoroughly where the wear and friction are greatest.

Kayser Italian Silk Underwear is the really economical underwear.
