DEAF?

Science has found a way to help you hear clearly and distinctly. The Wonderful

Little Gem Ear Phone

doubles the joy of living. Look at it and you SEE the simplest and smallest hearing device in the world; use it and you realize you have a remarkable aid to the deaf. Charles McCausland, 207 Dickerson Street, Newark, N. J., has been deaf since four years of age. Due to this affliction, he was seriously handicapped in business until he heard of and purchased a Little Gem Ear Phone. He has used it continuously with excellent results, has established himself well up in the business world, hearing everything distinctly (in theatres, lecture rooms, telephone, etc.) and credits all his success and enjoyment to the marvelous Little Gem. He will cheerfully answer any inquiries.

The absolute superiority of the Little Gem was recognized at the Panama-Pacific Exposition, where it received the Gold Medal, highest award for ear phones, in competition with the world. Try our Auto Ear Massage; used to stop head noises and improve hearing. Call at our office for a free, private demonstration. Expert advice without charge. Ask or write for booklet. New Way to Wash Your Face Improves Poor Complexions

Beauty-specialists agree that the secret of a perfect complexion is a thoroughly clean skin. But all toilet soap contains caustic potash or caustic soda to dry and age the skin, encouraging the premature aging of the complexion. The same thing in soap that shrinks woollens also shrivels the skin. In place of soap many use cold cream. Many face creams contain mineral oil, and mineral oil helps to grow hair. A specialist has perfected a new substance, called ara-mara, which is not only excellent for washing the face, but it cannot injure the most delicate complexion. All you do is to gently massage it into the skin and wash with plain warm water. It not only cleanses thoroughly, but it lightens the complexion much better than lemon juice or face bleach. It is surprising to see how fresh, clear skin becomes, even after only one proper treatment. Many of those who use it declare it has done more real good to their complexions than any cream or toilet soap they ever used. It's a wonderful treatment for enlarged, clogged pores and irritations. It certainly is a great blessing to those who have dull, sallow, lifeless complexions. You can always get ara-mara at Liggett's and Macy's. If you live out of town and your home dealer has not got it, you can order fifty cents' worth of ara-mara by mail of Herbert Roystone, 16 East 18th Street, New York.
