**A Vastly Better Way to Brush Teeth**

All Statements Approved by High Dental Authorities

Millions of people find that brushed teeth still discolor and decay. It is evident that old-time methods do not give protection.

As every dentist knows, the reason lies in a film. In that slimy, clinging, ever-present film. It gets into crevices and stays and resists the tooth-brush. And that is the tooth destroyer.

That film is what discolors. It hardens into tartar. It holds food which ferments and forms acid. It holds the acid in contact with the teeth—the cause of decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea. Thus nearly all tooth troubles are due to the film.

Scientific men have long sought a way to end that film. And one man now has found it.

The way is called Pepsodent—a tooth paste based on pepsin, the digestant of albumin. The film is albuminous matter.

The purpose is to dissolve the film, then prevent its accumulation.

**I. HICKS & SON**, "Sixty Years of Westbury" (Phone 68), L. I.

**ISN'T** this a wondrous fate for your Christmas Tree than to be carried away with your rubbish heap "the morning after"? Yes here it is on your lawn—a permanent "evergreen" treasure—an ornament and a fragrant memory, year after year. How is it done? Just as simple as can be. You order a live, instead of a cut, Xmas Tree from us; we ship it to you in a neat box, in which the tree remains while it is dressed up for the festive occasion; after the merry-making, at the first pleasant opportunity (New Year's, if you like), the tree is transferred with its ball of earth to its nook on the lawn and planted with ceremony and to the delight of the kiddies. It may be the baby's first Xmas Tree—name it after her! Or let one of the older tois choose a favorite name from storyland. And so each year you add another Xmas Tree to the romantic group—and to your precious assets of beauty and happiness! A word from you (the earlier the better) and we will dispatch your way a 6-ft. high tree (including box) for \$5, delivery prepaid; or an 8-ft. high tree for \$10; or a 10-12-ft. high \$15. Order for yourself—and as gifts for others (ask by the way, for our Xmas Folder describing other fragrant, growing, beautiful gifts—a Rose Garden, etc.)
