

In fit and finish actually tailor-made

UNDERGARMENTS cut by hand! Every one with the tailor's accuracy from individual patterns!

Every seam finished flat, firm—perfection!

Your first Kayser "Italian" silk vest will show you how important the Marvellfit features are in actual service.

A Kayser 36-inch vest really measures 36 inches around the top. Ample fullness over the bust—no more uncomfortable pull at the under-arm seams! A snug, close-to-the-figure fit at the top, back and front.

A vest that you take pride in wearing.

A full 5-inch extra width through the hip-line. This means no wrinkling, no riding up.

And that invaluable extra length—three whole inches. A world of difference it makes in your comfort—in your very disposition!

You will find the Kayser label in every undergarment you may desire. The simplest to the most elaborate models. See them at your favorite shop now, while the Spring stock is new. "Cost no more than the ordinary kind."
