AMERICANIS KNOCK OUT ENGLISHERS

Frank Loughrey and Frank Moran Dispose of Opponents in Quick Time in Paris Ring.

PARIS, Wednesday.—American fighters scored heavily in a series of bouts here to-night. Frank Loughrey, of Manayunk, Pa., knocked out the Englishman, "Dick" Roberts, in the second round. Frank Moran, the Pittsburgh heavyweight, knocked out the Englishman "Stoker" Smith in the first round. The American Swamson fought to a draw with the Englishman Wingrove.

BARRY BEAT LANG ON POINTS

STONEY, Australia, Wednesday.—James Barry, the heavyweight pugilist, of Chicago, defeated "Bill" Lang, of Victoria, formerly heavyweight champion of Australia, at the Stadium here to-day. The contest lasted the whole twenty rounds. Barry eventually winning on points.

"PACKEY" OUTCLASSES WARD

PHILADELPHIA, Pa., Wednesday.—"Jack" Ward, the English lightweight, was outclassed by "Packey" McFarland in their sixth round bout at the National Athletic Club to-night. The Englishman was apparently bewildered by the Chicago boy's speed, and in the second and third rounds scarcely laid a glove on McFarland. In the third round McFarland struck Ward several times with his open glove, and early in the fifth round, when he again tried the same tactics, the crowd hissed and called for more action.

Toward the close of the sixth round McFarland out loose and drove the Englishman across the ring with rights wings, one of which caused Ward to stagger. He was up in an instant and fought back hard until the bell rang. It was the consensus of opinion that McFarland was an easy winner.

DENY THAT DRUG INJURED ATTELL

Witnesses Before Boxing Commission Say "Abe" Is on Toboggan and Is Near Fighting End.

Although there was much talk yesterday afternoon at the second session of the inquisitors who are trying to find out whether the recent bout between "Abe" Attell and "Knockout" Brown was a fake no conclusion either way or the other was reached. Many witnesses gave their impressions of the affair, but nothing could be proved, nor does there seem any possible way to do so even if there were anything about it. The majority of those who testified held the opinion that the featherweight champion has gone back, and that he had to act on the defensive to save himself from punishment. Dr. Joseph Safan, the club physician, denied the testimony of Attell to the effect that the boxer was "doped" by a strange physician. The doctor swore that the dose of cocaine was administered at Attell's request, that he was no stranger to him, as he had examined Attell on previous occasions. He further stated that the club officials had nothing to do with it. "The infection into Attell's injured thumb," said the doctor, "was one-fifth of grain of the same drug of water, and it could have had no effect on his brain or any other part of his body."

ATTELL'S HEAD WAS CLEAR

That Attell's head was very clear was the intimation conveyed by "Knockout" Brown when he said that the champion had called him nasty names in the fifth round in an effort to "get his goat," and that he had leaned over his shoulder and spoken to spectators at the ringside. Of course Brown said that Attell was just as fast as he ever was and put up as good a fight as he had ever seen him do, but he had to keep on the defensive to last to the end of the ten rounds.

City A. C. Swimmers Beat Canadians

Local Men Too Fast for Visitors, Although They Have One Star.

Swimmers from McGill University, of Montreal, were beaten last night for the second night in succession in a dual meet by local aquatic experts, when the team of the City Athletic Club outscored them 35 to 15. This was two more than the New York A. C. members tallied the night before. Although the men from the Dominion lost by a good margin of points it does not mean that they were any too easy for the home club, for the Canadians made every event mighty interesting, and there was not a race which was not in doubt until the final stretches.

It was in the fancy diving and 100 yard dash that the City Club men showed their strongest form. In each of these competitions they tallied all but one point, and that was really what gave them the victory, for previous to those contests they led by only one point. One of the most pleasing features of the competition was the fancy diving of Kurt Behrens, of the City A. C. He did all the tricks that were called for on the programme in almost faultless style, and many of the swimmers expressed the opinion that he would be a strong contender for championship honors. George Hodgson, of McGill, made the best performance of the night when he won the 200 yard dash. In beating M. R. Ritter, the City A. C. track, he tore through the tank faster than any man ever has in this country with the exception of Charles M. Daniels, who holds the record. Hodgson's time was 2m. 21.5-6, less than three seconds behind Daniels' mark.

The summaries: Fifty Yard Swim.—Won by Howard Adie, City A. C.; second, George Draper, McGill University; third, John Curran, City A. C. Time, 29.2-5. Two Hundred and Twenty Yard Swim.—Won by George Hodgson, McGill University; second, M. R. Ritter, City A. C.; third, W. Auerbach, City A. C. Time, 2m. 21.5-6. One Hundred Yard Swim.—Won by Richard Pringle, City A. C.; second, George Reddy, City A. C.; third, P. M. McGill, McGill University. Time, 63.3-6. One Hundred and Sixty Yard Relay Race.—Won by City A. C. (Adie, Curran and Ritter); second, McGill University (McGill, Hodgson, Draper and Mackay). Time, 1m. 22.5-6. One Hundred and Sixty Yard Handicap.—Won by A. Sias (5 seconds); second, G. Heilrich (3 seconds); third, A. Herold (scratch). Time, 1m. 5.5-6.

MANHATTAN FINES SWEEP THE COURT

Borough School Basketball Champions Defeat Bronx Boys for City Titles.

Bronx schoolboy basketball players showed great improvement over exhibitions in previous years, but were not very serious contenders against Manhattan's best yesterday afternoon at the Eighth Regiment Armory in the interborough series for the city championship. Public School No. 44 furnished both the senior and the junior representatives for the Bronx, many of the players having been members of the baseball team which won the borough title in the Herald tourney last spring. The senior championship game resulted in defeat for the Bronx school at the hands of the Big Five from Public School No. 62, by a score of 47 to 14.

The junior champions of Manhattan, from Public School No. 64, proved too speedy for the No. 44 lightweight, the former winning by 32 to 3. The summaries: P. S. No. 62 (Bronx) Position. P. S. No. 44 (Bronx). Kentworth.....Left Forward.....Greenberg Goldberg.....Right Forward.....Behan Weinberg.....Left Guard.....Crawford Steinberg.....Right Guard.....Keates Beyer.....Right Guard.....Kerkes Final score—No. 62 (Manhattan), 47; No. 44 (Bronx), 14. G. SPEAR REACHES BILLIARD FINAL

Qualifies for Class C Title Round by Scoring Third Victory Over J. Stern.

When the final round of the class C amateur billiard championship begins on Friday George Spear will be one of the contestants. He qualified for that honor at the Morningside rooms in Harlem last night by scoring his third straight win of the tournament over Joseph Stern. The match, which was the last of the first section preliminaries, proved a one-sided contest that ended with a score of 200 to 123.

It was Mr. Spear's best showing of the tourney, averaging as he did only a shade worse than four and about one point more to an inning than in either of his previous games. His position play was commendable, and but for one poor streak between the thirtieth and fortieth innings he would have completed his string much sooner.

Mr. Stern's work was erratic. He played in streaks. At times he nerved the ivory splendidly along the upper rail, driving them in and out of balk, only to trip up on a simple draw shot when least expected.

The final game of the preliminaries will be played to-night, J. Doyle opposing Dr. W. H. Hawley. Joseph Stern—1, 0, 2, 0, 0, 3, 1, 1, 0, 2, 0, 0, 24, 0, 2, 1, 4, 0, 1, 0, 2, 3, 0, 1, 21, 0, 1, 0, 9, 4, 2, 0, 1, 1, 1, 6, 5, 1, 2, 0, 0, 1, 6, 0, 3, 4, 0. Total, 123. Average, 2.19-32. High runs, 21, 13, 12. J. Doyle—1, 0, 2, 0, 0, 3, 1, 1, 0, 2, 0, 0, 24, 0, 2, 1, 4, 0, 1, 0, 2, 3, 0, 1, 21, 0, 1, 0, 9, 4, 2, 0, 1, 1, 1, 6, 5, 1, 2, 0, 0, 1, 6, 0, 3, 4, 0. Total, 123. Average, 2.19-32. High runs, 21, 13, 12.

NOTES OF THE CUE MEN.

Morris E. Brown reached an average of 8.28-34 in his victory last night over "Joe" Mayer, of Philadelphia, in the amateur handicap 18.3 ballkine billiard tournament at the Knickerbocker rooms, in Brooklyn. Each played from scratch, Brown winning by a score of 800 to 168. Mr. Brown's best run was 48.

In the novel amateur round robin 18.2 ballkine tournament, played Monday and Tuesday at the Riverside rooms, in Harlem, there was a triple tie for first place. Marshall Norton and Danbury each winning five and losing two games. Preliminaries in the amateur pool tournament end to-night.

At Pittsburg, Pa., last night Charles McCourt, of Pittsburg, defeated Charles Warren, of Boston, 50 to 23, in the game of the National Three Cushion Billiard League tournament, in ninety-five innings. Warren's high run was 4 and McCourt's 3.

DOG SHOW NOTES.

The Bulldog Breeders' Association of America will hold their fifth Members' Show at Lyric Hall, No. 725 Sixth avenue, near Forty-second street, Saturday, March 9, at two o'clock. P. M. There will be two judges. Mr. R. R. Littlefield, of Gardner, Me., donning the ermine for the first time, takes on the dog classes, and Mr. W. A. Betts, of Woodside, L. IN THE CHESS WORLD.

Several unfinished games having been finally decided, the final standing of the school teams in the Manhattan and Bronx divisions of the Intercollegiate Chess League was officially announced yesterday. Stuyvesant High emerged winner of the championship, with the total score of 24 out of a possible total of 32 points. Townsend Harris Hall was second, with 23 points, followed by De Witt Clinton, High School of Commerce and Morris High in the order named. H. E. Atkins, champion of the British Chess Federation, has again successfully defended his title by defeating F. D. Yates in a match of three games at Bradford. Atkins and Yates had tied for first place in the last federation tournament. In the match Atkins won with a score of 2 to 0.

HANDICAP TOO BIG IN TENNIS FINAL

G. G. Moore, Jr., and G. Houck Unable to Score 2 Points for 1 in Seventh Regiment Doubles.

Too great a task confronted George G. Moore, Jr., and George Houck in the final tennis match of the annual handicap doubles tournament at the Seventh Regiment armory yesterday, and, although they put up a stubborn battle they were beaten by 4-6, 4-6, 6-3, 4-6. According to the conditions, they had to score at least six points to win a game, starting with minus 30, while their opponents, A. C. Postley and J. J. Koen, began to count from plus 15 in each game. In four previous rounds of the tournament Messrs. Moore and Houck succeeded in surmounting a similar obstacle, but against their rivals' steady playing they never came within winning distance.

George G. Moore, who as a newcomer surprised tennis enthusiasts recently by reaching the final of the regimental championships, played every bit as fast a game as in the previous tournament. He was all over the court, getting hard, smashing returns from Mr. Koen's racket and turning them into aces by clever, adroit placing.

The losers far outscored the opposing pair in the matter of points, but were quite able to total two for one as the conditions required. Although they often lacked judgment of distance, Messrs. Koen and Postley won by maintaining a hard smashing style throughout.
